

Dispelling Myths...the Reality of Diversity, Equity, and Inclusion

Wednesday, May 12th

11:30 a.m. - 1:00 p.m.

Virtual Zoom Event

NO COST to ATTEND

MUST BE NDIA or WID MEMBER to Participate

The critical work of the defense industry transcends race, cultural, or gender divides. It is important that our workforce represents the people we serve.

Benefits of being strategic and intentional with Diversity, Equity, and Inclusion (DEI) in your workplace will demonstrate:

Increased Problem-Solving Capabilities

Attract and Retain New Talent to the Defense Industry

Increased Overall Company Performance

Join NDIA and WID Michigan for an interactive discussion, led by Cheryl Thompson, Founder and CEO of CADIA (Center for Automotive Diversity, Inclusion and Advancement) to better understand the, what, why, and how of DEI.
