VALDE GARCIA

PRESIDENT, NDIA MICHIGAN CHAPTER

Valde Garcia serves as the Congressional & Industry Liaison for the Army's Program Executive Office for Combat Support & Combat Service Support. Prior to his current duties, Valde was the Business Development Manager for KBR (formerly Wyle).

He served in the Michigan legislature as a State Representative for just over two years and then for nearly ten years as a State Senator. He is the first Hispanic elected to the State House (shared with one other that year) as well as the first Hispanic elected to the State Senate. As a Senator, he sponsored the legislation which created the Michigan Defense Center, now known as the Office of Defense and Aerospace Innovation. President

George W. Bush appointed him to the President's Commission for White House Fellows. In 2010 he retired from the Senate due to term limits.

Valde also served for 30 years in the United States Army, Army Reserves, and the Michigan National Guard. He retired in 2012 as a Colonel and as the Deputy Chief of Staff for Intelligence and Security for the Michigan Army National Guard.

He currently serves as the President of the National Defense Industrial Association – Michigan (NDIA-MICH) and the Michigan Military and Veterans Hall of Honor.

He has a Bachelor of Arts degree in Political Science and History from Cedarville University and a Master of Strategic Studies from the U.S. Army War College.

VERONICA BAGINSKI

CYBER AND DIGITAL SYSTEMS MANAGER, THE NATIONAL ADVANCED MOBILITY CONSORTIUM (NAMC)

With an insatiable drive for innovation and a passion for driving businesses forward, Veronica has established herself as a dynamic leader in the defense industrial base, cybersecurity, and entrepreneurship. Drawing from over a decade of diverse experience across various industries, Veronica has become a sought-after expert in navigating the complexities of CMMC, small business, and doing business with the DoD.

Veronica graduated from Michigan State University in 2013 with a bachelor's degree in marketing and a sales communication specialization. She has held sales and leadership positions across multiple industries including grocery, automotive, small business, defense, and cybersecurity.

In October 2023, Veronica started with the National Advanced Mobility Consortium (NAMC) as the Membership Manager where she leveraged her expertise in small business and fostering collaborative partnerships with DoD experts and entities. Currently, she serves as the Cyber and Digital Systems Manager at NAMC to deliver cyber compliance and internal digital, software, and program efficiencies. She is a recipient of 40 Under 40 for Macomb County Chamber's Inaugural 2024 Class and graduated from Dale Carnegie in April 2024.

GUEST SPEAKER

DOUG "ODIE" SLOCUM

**FOUNDER AND CEO THE SLOCUM GROUP LLC
RETIRED U.S. AIR FORCE BRIGADIER GENERAL**

Retiring as a Brigadier General in 2019, Doug "Odie" Slocum has 35 years' experience with the Air Force and the Air National Guard. His last assignment was as the Commanding General of the 127th Wing and Selfridge Air National Guard Base. Under his leadership, the men and women of the base earned numerous accolades including awards for being the top Air National Guard Wing in the country, the top fighter aircraft organization, the most efficient aerial tanker Wing in the Air Force, and only the third Air National Guard Wing in history to receive the Meritorious Unit Award for "outstanding devotion and exceptional performance." He is well known for his leadership style which has been branded as "violent positivity". Prior to coming to Michigan in 2014, he was the Air National Guard Inspector General in Washington DC.

He is known in Southeast Michigan for expanding partnerships and leading pioneering projects that unite coalitions locally and nationally. He is the recipient of DTE's 2019 Environmental Steward of the Year Award, Macomb County's 2018 Economic Partner of the Year, and was inducted into the Macomb County Hall of Fame in 2017. Odie is a world-renowned educator and acclaimed motivational speaker having delivered more than 750 presentations or keynote addresses to over 150,000 attendees.

Odie is a career fighter pilot with more than 4,100 hours flying F-4, F-16, and A-10 aircraft — the top 1% of experienced fighter pilots in the Air Force. As an instructor pilot, he has personally authored more than 250 lessons, textbooks, and professional publications. He served as the Air National Guard Director of Safety, where he is credited with leading the four safest years in the organization's history. He created and championed several proposals including an innovative program that addressed human error in aircraft maintenance. As a result the U.S. Air Force realized a 76% decrease in preventable mishaps, saving lives as well as more than \$78 million. He championed nation-wide programs for suicide prevention, fatigue management, driving safety, midair collision avoidance, and flight safety. He is also a trained and experienced aircraft mishap investigator. As a result of his safety innovations and results, Odie was inducted into the Air Force Safety Hall of Fame in 2013.

Odie is active in the community as a consultant and as a volunteer veteran advocate. In 2024, he published a book entitled "Violent Positivity" based on his career leadership experiences and lessons. Odie is the State President of the Michigan Air and Space Forces Association and was recently elected to the organization's National Board of Directors.
