

Become a Sponsor for NDIA-Michigan's Premier Cyber Summit

NDIA Michigan is proud to announce its 11th annual **Cyber-Physical Systems Security Summit (CPS3)**, which will be held 16-17 June 2026 on the prestigious campus of Oakland University in Rochester, Michigan.

This summit drives discussion on major emerging cyber-physical security challenges affecting the military and critical assets for both national defense and homeland security. Our goal is to bring together experts from the US military, industry, engineers, cybersecurity practitioners, software

and systems engineering, researchers, and strategists to address both the problems and possible solutions to some of the hardest cybersecurity challenges facing our nation today.

As a CPS3 sponsor, we will provide your organization numerous benefits that can significantly enhance your brand's visibility and engagement within the defense industry and cybersecurity community. Here are some of the key incentives:

- Engage in meaningful conversations and build valuable relationships with key decision-makers and experts within the National and State cyber community
- Showcase your cutting-edge solutions to buyers
- Position your brand as a leader in securing cyber physical systems
- Demonstrate your commitment to the growth of the defense-industrial cybersecurity community
- Identify and recruit top talent from a pool of highly skilled security professionals

Join us in advancing the security of mission critical systems and critical infrastructure. If you have any questions or concerns, please reach out to:

cyber@ndia-mich.org

Sponsorship Packages

We offer various sponsorship packages tailored to meet your specific needs and goals. Each package includes unique benefits designed to maximize your exposure and engagement at the summit. Promote your organization with promotional materials at your dedicated display table. Use stage time to introduce your organization to the audience. Link to our featured social media posts to highlight your commitment to our community. Mingle and network at the exclusive VIP After Party. And of course, receive complimentary summit registrations as a token of our gratitude for supporting this event!
